

AGENDA

WEDNESDAY - 20 June

17:00 **Exhibition and Registration open**

18:00 **WELCOME RECEPTION**

THURSDAY – 21 June

8:30 **Exhibition and Registration open**

9:00 **Welcome Speech**

Da Wei, Board Chairman, China Chemical & Fiber Economic Information Network (CCFEI)

John Johnson, CEO, CRU Beijing

CHINESE DEMAND DRIVERS

Chairperson: Zhu Boliang, General Manager, China Chemical & Fiber Economic Information Network (CCFEI)

9:15 **Outlook of China economy in 2012**

*Zhao Jinping, Deputy Minister of Dept. of Foreign Economic Relations, Researcher,
The Development Research Center of the State Council (DRC)*

9:45 **Current Situation and Developing Trend in Phosphate Industry in China**

Liu Yihua, Senior Engineer, China National Petroleum and Chemical Planning Institute

10:15 COFFEE BREAK

CHINA SULPHUR AND DERIVATIVES MARKET

Chairperson: Zhu Boliang, General Manager, China Chemical & Fiber Economic Information Network (CCFEI)

11:00 **Status quo & export outlook of China phosphate fertilizer market**

Jiang Hua, Manager of Marketing & Info Section, Wengfu (Group) Co., Ltd.

11:30 **A long way for China sulphur self-sufficiency**

Feng Yigang, Senior Consultant, China Chemical & Fiber Economic Information Network (CCFEI)

12:00 LUNCH O2ON2 Restaurant, 2nd Floor

REGIONAL ASIAN SULPHURIC ACID DEMAND

Chairperson: Wu Xuemei, Secretary General, China Sulphuric Acid Industry Association

14:00 **Analysis on China Sulphuric Acid Industry**

Qi Yan, Director General, China Sulphuric Acid Industry Association

14:30 **Indian phosphate outlook & sulphuric acid demand**

Raza Soomar, President, RNZ International

15:00 **Asian Sulphuric Market Outlook – How will China change its trade with the world?**

Isaac Zhao, Senior Consultant, CRU

15:30 COFFEE BREAK

SULPHUR FORMING AND HANDLING

Chairperson: Wu Xuemei, Secretary General, China Sulphuric Acid Industry Association

16:00 **An introduction to sulphur forming**

Nicholas Raspberry, Manager Technical Sales, Enersul LP

16:30 Sulphur solidification, handling and storage

Hans-Georg Pohle, Global Product Manager Sulphur, Sandvik Process Systems

17:00 Networking Drink in Exhibition Area

18:00 GALA DINNER sponsored by Oxbow, Ballroom, 4th Floor

FRIDAY, 22 JUNE

INTERNATIONAL MARKET AND SUPPLY TO CHINA

Chairperson: Nicola Coslett, CEO of CRU Events, CRU

09:00 The Middle East – major sulphur supplier to China

Dick Van Meurs, President and CEO – Oxbow Sulphur & Fertiliser

09:30 Sulphur Market Overview – How will China supply its demand for sulphur over the next 5 years?

Dr Peter Harrison, Consultant, Fertilizers – CRU

10:00 Review of independent Russian oil-grade sulphur producers

Anatoly Noskov, President, Sibsulfur

10:30 COFFEE BREAK

SULPHURIC ACID EQUIPMENTS AND APPLICATION

Chairperson: Nicola Coslett, CEO of CRU Events, CRU

11:00 Development of sulphuric acid production by sulphur-burning in China during the 11th and 12th Five-year Plan period

*Huang Xin, Director of Sulphuric Acid Information Center,
Research Institute of Sinopec Nanjing Chemical Industrial Group*

11:30 Upgrade your acid plant with improved replacement equipment

Guy Cooper, Director, Sulphuric Acid, NORAM Engineering and Constructors Ltd.

12:00 LUNCH O2ON2 Restaurant, 2nd Floor

SULPHUR RECOVERY TECHNOLOGY

**Chairperson: Da Jianwen, Professor-level Senior Engineer,
Sinopec Qilu Petrochemical Research Institute, Sulphur Recovery Technology Committee**

13:30 Using oxygen enrichment for China's next generation sulfur plants and implementation of the first COPE® project in China

*Thomas Chow, Vice President Sulphur Technology, Fluor
Uday N. Parekh, Vice President, International Business Development, Devco*

14:15 Novel approach to Claus

Matt Thundyil, Sulfur Business Unit Manager, GTC Technology

14:45 Introduction of Topsøe WSA technology for sulphur recovery and VK sulfuric acid catalyst

Lei Jihu, Manager of Refinery and Sulphur Department, Haldor Topsøe A/S

15:15 Innovative approach to sulphur recovery unit emission reductions

Frank Scheel, Business Development Manager, Jabobs

15:45 Close of conference
