

Agenda

Wednesday, 18 June

- 13:00 **Registration**
- 13:30- **Workshop: Sulphur Recovery, Forming, Handling, Loading and Usage From Fossil Fuel to Food**
 17:00 Uday N. Parekh, Vice President, International Business Development, Devco
 Bevan Houston, Director Business Development, Devco
 Dr Peter Harrisson, Senior Consultant, Fertilizers, CRU
- 17:00- Welcome drinks
 18:30

Thursday, 19 June

- 08:00 Registration
 08:00 Exhibition open
 09:00 Welcome remarks
 Session Chair: Zhu Boliang, General Manager, CCFEI
- Session 1: Economic outlook**
-
- 09:10 The analysis of farming dynamics and its impact on sulphur and sulphuric acid industry
 Aochao Wang, Director, Rabobank
- Session 2: Sulphur Supply Outlook**
-
- 09:40 Will China lead or follow the sulphur market to 2018?
 Dr Peter Harrisson, Senior Consultant, Fertilizers, CRU
- 10:10 Analysis on RMB tendency and China import and export situation
 Li Shigang, Associated Researcher, Academy of Macroeconomic Research, NDRC
- 10:40 Refreshment Break
- 11:10 Analysis on China's sulphur production and future growth
 Wang Min, Senior Researcher, China Petroleum and Chemical Planning Institute
- 11:40 Analysis of Sulphur import trend in China
 Wang Jianli, Chief Consultant, China Chemical & Fiber Economic Information Network (CCFEI)
- 12:10 Lunch (O2ON2 Restaurant)
 Session Chair: Isaac Zhao, Senior Consultant, CRU
- 14:00 Analysis on sulphur purchasing and prices
